

RAC Maintenance & Breakdown Warranty

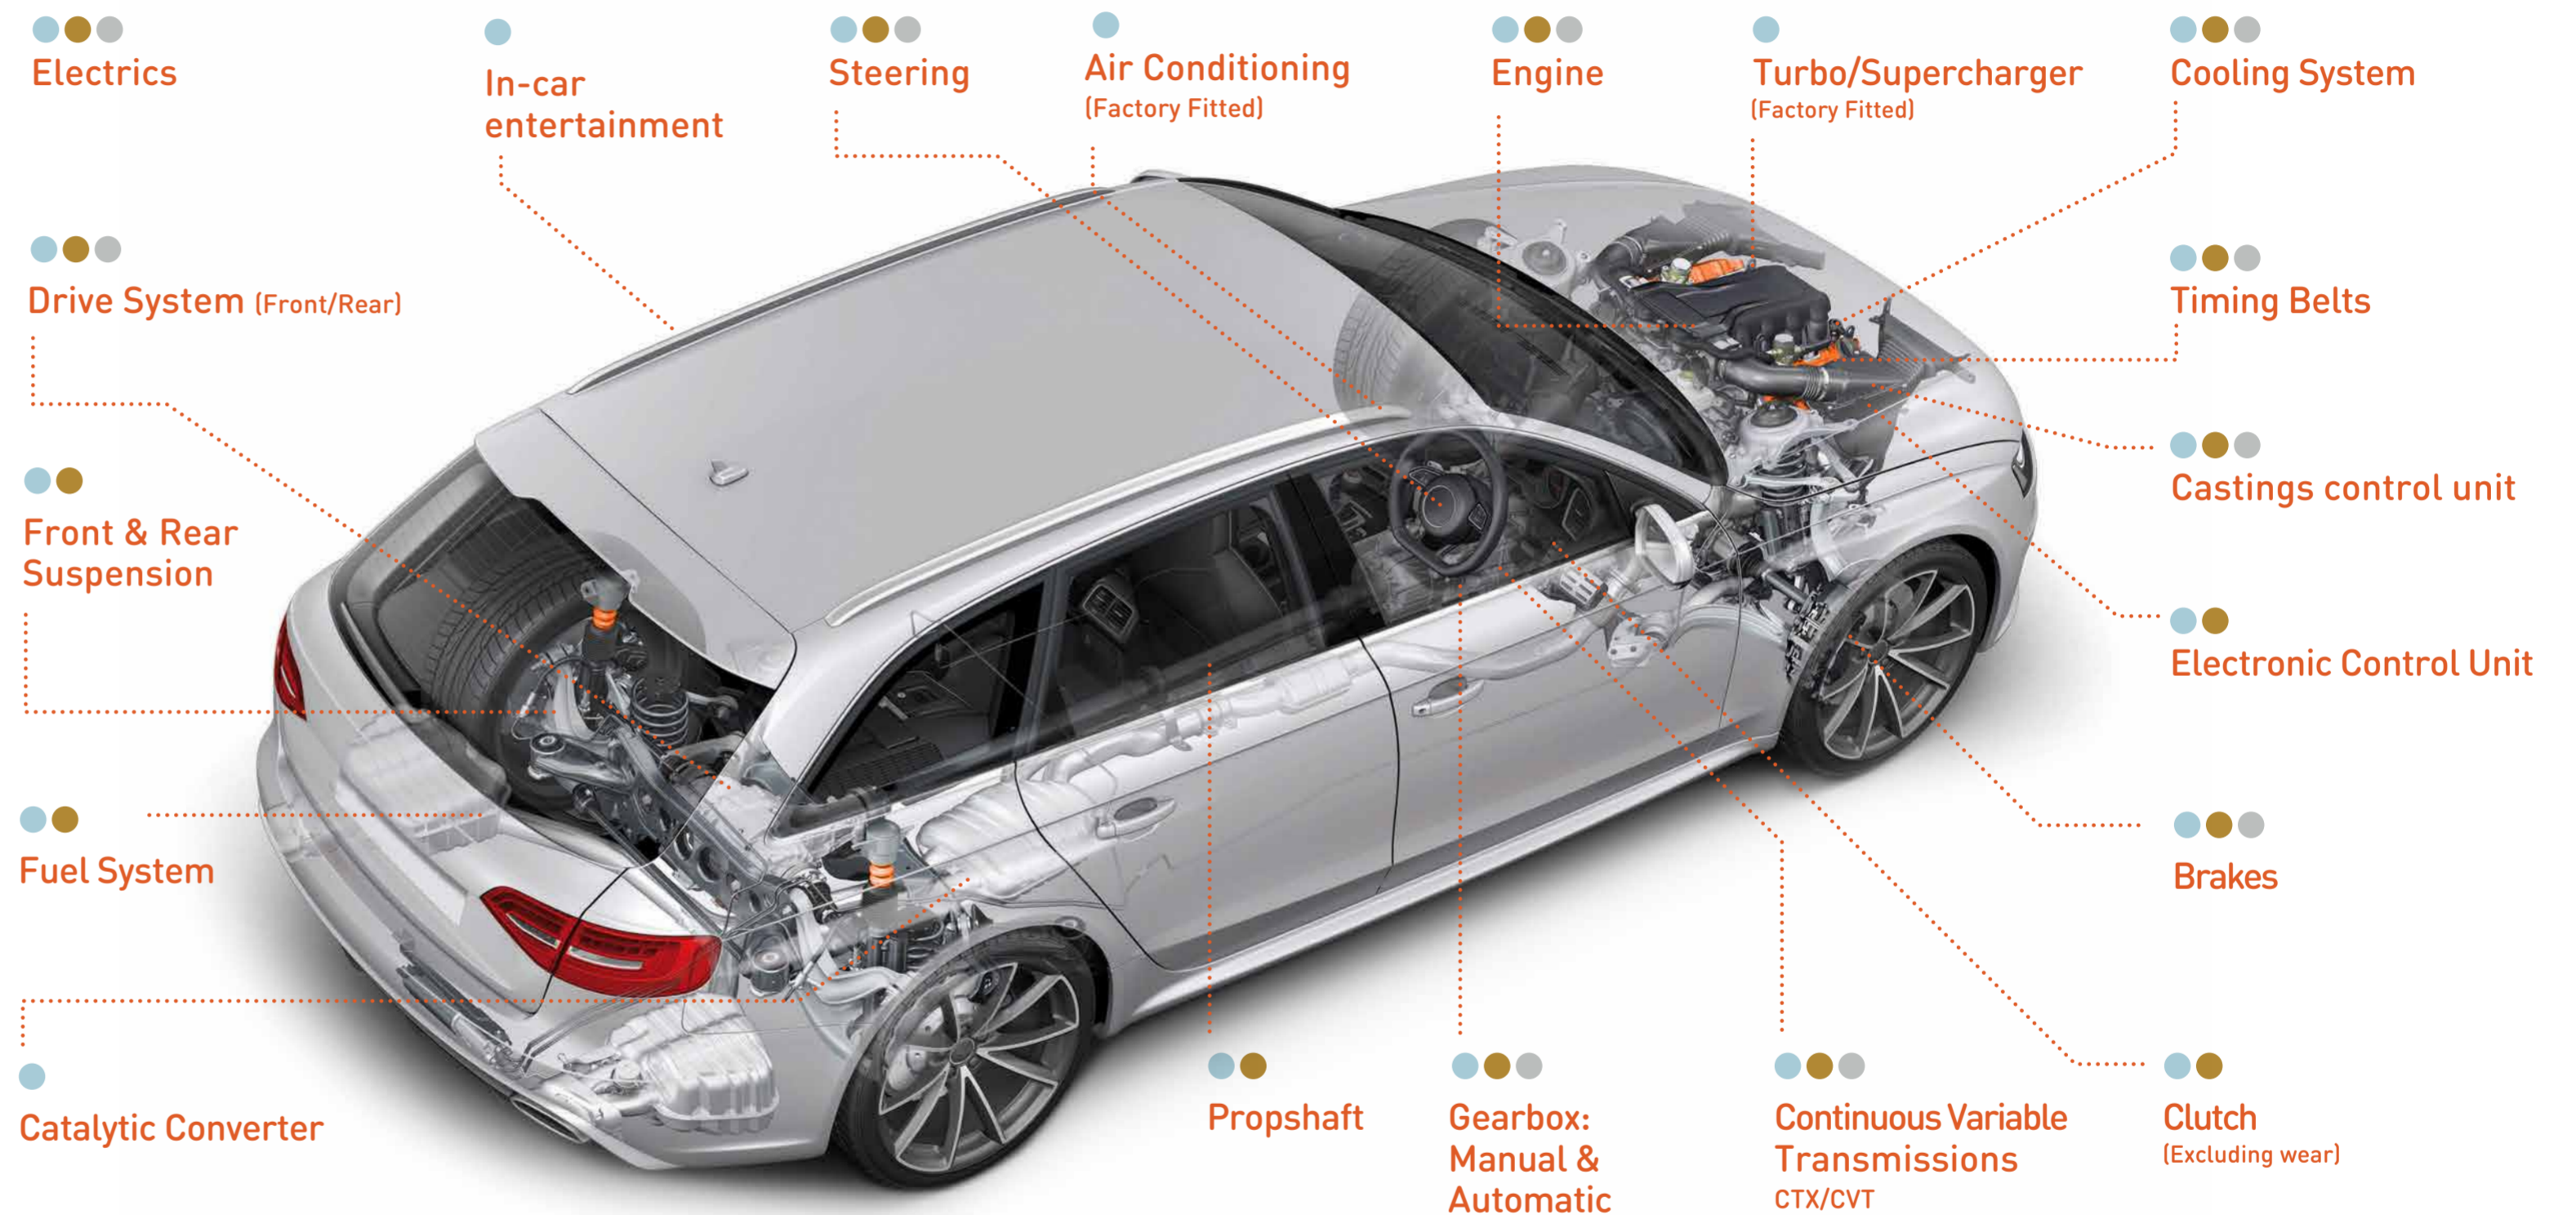

PLATINUM, GOLD & SILVER COVER LEVELS EXPLAINED

Warranties from the UK's leading motoring organisation available exclusively from the RAC Dealer Network

Choose from Platinum, Gold, or Silver cover levels for additional peace of mind for the full ownership of your vehicle.

What's covered: Platinum Gold Silver

The RAC difference

Our warranty gives you additional confidence and peace of mind when buying a vehicle, something you should expect from the Motorists Champion. We make it clear what is and isn't covered by our warranty and our streamlined claims procedure means vehicles are back on the road as soon as possible if you do have a problem.

Key to cover levels

Three different levels of warranty & breakdown cover are available to suit most budgets

All mechanical & all electrical components
Under 7 years Up to 70,000 miles

Comprehensive listed components for vehicles under 10 years and to 100,000 miles

Listed components of any age & mileage

Platinum & Breakdown cover also includes

All mechanical and electrical parts* for failure to perform their normal function or breakdown together including:

- Turbo/Supercharger (Factory fitted)
- Air Conditioning (Factory fitted)
- Catalytic Converter
- In car entertainment (up to a maximum of £100 per repair request)

More Information

For more information visit our website at rac.co.uk/

* All parts are included providing the conditions of this Agreement including servicing requirements are complied with.

The RAC Dealer Network is operated by our partner The Warranty Group (TWG).
